

B C H I MEMORIAM FORM

This form is for your use to make a presentation at the Annual State Convention. The purpose is to provide a format, if you choose to use it, to honor chapter members for their contributions to Back Country Horsemen who have passed on.

Each chapter should bring copies of pictures, handouts, or write-ups to honor their chapter member who has passed during the preceding year. These can be items given out to each person, table or chapter at the convention. It could also be a display or a presentation, at large.

Each chapter must notify the State Chairman so that time for your presentation is made a part of the agenda at the State Convention.

If you would prefer that the State Chairman or someone from the hosting chapter make your presentation, be sure to let that be known prior to the State Convention.

Again, this form is only a suggestion.

Chapter _____

Name of Person in Memoriam _____

Short sketch of contribution to BCH _____
